Arrival Information
Fall Semester 2020 & Spring Semester 2021

You should plan to arrive at the High Mountain Institute for the Fall Semester on Monday, August 17, 2020 or for the Spring Semester on Wednesday, January 27, 2021.

Driving
If you choose to be dropped off by your family, please use the 531 County Road 5A, Leadville CO address. You should plan to arrive at HMI sometime between 12 noon and 5 PM.

Flying
If you choose to fly, we will meet you at the Denver International Airport (DEN). We will be meeting flights that are scheduled to arrive between 10 AM and 2 PM only on Monday, August 17 (Fall Semester) or between 10 AM and 2 PM only on Wednesday, January 27 (Spring Semester). At 2 PM on each of these days, we will load the HMI busses and depart for Leadville.

The Denver International Airport consists of three separate concourses and the main terminal. All concourses are serviced by an easy-access, underground rail system that takes passengers from their arriving concourse to the terminal. The train is free and departs every 2 minutes. The train trip from the furthest concourse (Concourse C) to the terminal takes approximately 5 minutes.

When you get off the plane, follow signs to the train that will take you to the Main Terminal and Baggage Claim. Exit the train at the terminal, and take the escalator up one flight to the atrium of the terminal. This is the Ground Transportation and Baggage Claim level. HMI Semester Faculty members will be waiting for you in the center of the Great Hall with signs and wearing HMI clothing. From there, we will check you in and help you gather your baggage (please meet us before looking for your luggage). Once the final flights arrive, we will board our shuttles for the 2 ½ hour drive to the HMI campus.

If you cannot arrive at Denver International between 10 AM and 2 PM you will need to arrange for ground transportation to HMI (see last page).
